2024 UWA courses

Over the last few years, we've expanded our range of courses to meet growing demand for skills that address today's shifting economic, social and technological landscapes. This means whatever career your students seek, they'll find a degree at UWA that fits.

COMPREHENSIVE DEGREES

Students can choose one or two majors from a wide range, then add electives and/or a minor to suit their interests and career goals.

SPECIALISED DEGREES

Students will take an extended major with a carefully designed study plan to give them in-depth knowledge of their chosen career or profession. Students can complement this with a minor or electives from almost any study area.

COMBINED BACHELOR'S DEGREES

Students can pursue their passions and maximise their career options with our combined bachelor's degrees. They will complete two undergraduate degrees in normally just four years – one specialised (where they'll take a defined study plan) and one comprehensive (where they'll choose a major from a wide range of options).

- Elective
- Minor
- Second Major (from Comprehensive degree)

COMBINED BACHELOR'S AND MASTER'S DEGREES

Students can take the express path to a postgraduate qualification with our combined bachelor's and master's degrees. Students start advanced postgraduate-level studies in their third year of their bachelor's degree and complete two (undergraduate and postgraduate) degrees in just four years.

*ATAR requirements may vary for Broadway, Rural, and International students. Please see the website for specific entry requirements.

^If applying through Experience-based entry, commence studies in another degree. May be eligible to transfer to preferred degree after one completed semester, and meeting the course transfer requirements. These are available in the [Handbook](#) for each course, under the 'Rules' tab.

ASSURED PATHWAY EXAMPLE STUDY PLANS

Various – Refer to example study plans for comprehensive or specialised degree for the undergraduate component.

Prerequisite and recommended subjects key

ABBREVIATION	DESCRIPTION
B	Biology ATAR
C	Chemistry ATAR
C+	Chemistry ATAR OR a bridging unit
C1	Chemistry ATAR OR a bridging unit. Mid-year applicants must have Chemistry ATAR to complete their degree in three years.
C2	Chemistry ATAR OR a bridging unit. Mid-year applicants must have Chemistry ATAR AND Biology OR Human Biology ATAR to complete their degree in three years.
E	Mathematics Methods ATAR AND at least one of : Mathematics Specialist ATAR OR Chemistry ATAR OR Physics ATAR. Note that all four subjects are recommended. If you don't have all four subjects, you'll need to take specified bridging units in your first year. If prerequisite is not met, commence study in a Bachelor of Science and meet the prerequisite through bridging units before transferring courses.
EDU	Mathematics Methods ATAR AND personal statement AND prerequisite subjects from your chosen major/s.
HB/B+	Human Biology ATAR OR Biology ATAR OR a bridging unit
MA+	Mathematics Applications ATAR OR higher-level mathematics OR a bridging unit.
MM	Mathematics Methods ATAR If prerequisite is not met, commence study in a Bachelor of Science and meet the prerequisite through bridging units before transferring courses.
MM+	Mathematics Methods ATAR OR Mathematics Applications ATAR AND a bridging unit. Students without ATAR Mathematics will take two bridging units.
MS	Mathematics Specialist ATAR
MS+	Mathematics Specialist ATAR OR Mathematics Methods ATAR AND a bridging unit
MUS1	A practical requirement equivalent to AMEB Grade 5, demonstrated by an audition; a portfolio is also required for applicants for composition
MUS2	A practical requirement equivalent to AMEB Grade 5, demonstrated by an audition (no audition is required if taken as a second major), and a background in music theory; a portfolio is also required for applicants for composition.
MUS3	<u>Performance/Musicology/Studio Teaching Streams</u> : A practical requirement equivalent to AMEB Grade 7, demonstrated by an audition, and a strong background in music theory. <u>Composition Stream</u> : A practical requirement equivalent to AMEB Grade 5, demonstrated by an audition, and a strong background in music theory; a portfolio is also required. <u>Creative Music Technology Stream</u> : A practical requirement equivalent to AMEB Grade 4, demonstrated by an audition, and a background in music theory; a portfolio is also required
P	Physics ATAR
P+	Physics ATAR OR a bridging unit
WE, V OR Q:	Written English and Verbal or Quantitative
★	New course in 2024 – Approved
★#	New course in 2024 – Subject to final approval. See website for the most up to date information.

UWA entry pathways

ATAR	<ul style="list-style-type: none">• Early Offers• Broadway UWA (ATAR adjustment factor)• First in Family (ATAR adjustment factor)• UWay (ATAR adjustment factor – special consideration)• Fairway UWA (support program for Year 12s - apply for in Year 11)
Experience-based Entry	<ul style="list-style-type: none">• Experience-based entry uses a combination of academic achievements and life experiences*
Special Tertiary Admissions Test (STAT)	<ul style="list-style-type: none">• Available for school leavers and mature age students*
Tertiary studies	<ul style="list-style-type: none">• Diploma studies• graded Australian University Enabling Program (with an average of 65 [60 for Broadway students])*• Previous university studies• UWA Smart Start (Albany)• AccessUWA
Indigenous pathways	<ul style="list-style-type: none">• Aboriginal Orientation Course• Provisional Entry Scheme

*Experience-based entry, STAT and graded Australian University Enabling Programs are pathways to study our comprehensive bachelor's degrees. Students interested in studying a specialised or combined degree may be eligible to transfer courses after the first semester of study, and meeting course transfer requirements. These are available in the [Handbook](#) for each course, under the 'Rules' tab.

Early offers for 2024 entry

PREDICTED ATAR ENTRY	EBE or STAT ENTRY
<p>Students can receive an Early Offer based on their end of Year 11 results.</p> <p>TISC will calculate the predicted ATAR for students.</p> <p>Students are not required to submit a copy of their school reports, as this can be accessed by UWA via TISC.</p>	<p>If a student is not taking enough or any ATAR subjects, or don't meet the required ATAR, they can apply through TISC to our Experience-based entry (EBE) pathway or sit the Special Tertiary Admissions Test (STAT).</p> <p>To meet entry requirements to UWA's comprehensive degrees</p> <ul style="list-style-type: none"> Refer to our EBE eligibility checker or the STAT calculator on the TISC website for entry requirements If required, UWA Admissions will grant permission to sit the STAT through the students offer letter Please check the TISC website for STAT session dates.

Early offers – admission requirements

✓ WACE	
✓ Predicted ATAR (Year 11)	Minimum predicted ATAR of 80 (Broadway ATAR of 78) OR Meet the ATAR requirement for the nominated course* (unless taking the STAT or EBE pathway)
✓ Final Year 12 ATAR	Early Offer holders must have a final Year 12 ATAR (unless taking the STAT or EBE pathway)
✓ English requirement	Final scaled mark of 50+ in ATAR English, Literature or EALD, OR; A UWA approved English test (e.g. STAT) OR; Complete the PACM1101 bridging unit in first semester
✓ Subject prerequisites & special requirements	Final scaled mark of 50+ in ATAR subjects or by completing bridging units in first semester^

* For courses that require < ATAR of 80, students must still meet the minimum predicted ATAR of 80 (Broadway ATAR of 78)

For courses that require > ATAR of 80, students must have a predicted ATAR that meets the requirement

^ some exceptions apply.

Who is eligible?

- Domestic Year 12 WACE students
- International Year 12 WACE students
- WA International Baccalaureate (IB) students

Eligible courses

Students may use the predicted ATAR pathway to apply for admission to the following.

- Any of our undergraduate degrees
- Combined Bachelor's and Master's degrees
- Non-quota limited Assured Pathways to Law, Teaching, Architecture, Public Health and Translation Studies.

The Predicted ATAR entry pathway is not applicable for the Bachelor of Biomedicine (Specialised) or Assured Pathways to Medicine, Dentistry, Pharmacy and Podiatric Medicine. These courses are not available for Early Offers, since they are quota-restricted.

STAT/EBE pathway is only available for entry to the following courses.

- Bachelor of Arts
- Bachelor of Biomedical Science
- Bachelor of Business
- Bachelor of Commerce
- Bachelor of Environmental Design
- Bachelor of Science (the Mathematics and Statistics Major and the Physics Major are subject to prerequisite requirements)
- Bachelor of Music (STAT only - Music is a specialist degree but is eligible through STAT subject to audition)

Application dates and process

Year 12 students can apply for any of the eligible courses from **Monday, 1 May 2023** and applications will close on **Friday, 8 December 2023**.

Students can either:

- [Apply to TISC for domestic students](#), including for Early Offers and for quota restricted courses (including Assured Pathways into Medicine, Dentistry, Pharmacy and Podiatry).
- [Apply directly to UWA](#) for students applying as an International citizen only.

There is a one-time \$80 TISC application fee. If a student has already paid the \$80 TISC fee for their initial application, there will be no further charges for changing preferences.

Students may also wish to visit the [UWA Early Offers FAQs](#) and register their interest to stay up to date with information on the application process.

Experience-based entry

- Stack academic qualifications and life experiences to apply for one of UWA's comprehensive bachelor's degrees*
- Applications will be assessed using a points system according to their degree of difficulty or award status. Check eligibility for entry before making an application by using our online [eligibility checker](#).
- English Language Competency (through ATAR, STAT or completion of a first year bridging unit) and any subject prerequisites (through ATAR or completion of a first year bridging unit[^]) for the chosen course still apply
- Submit application **via TISC**
- Upload any relevant awards or documents (no need to include high school reports)

ACADEMIC EXPERIENCES	LIFE EXPERIENCES
<ul style="list-style-type: none">• Completed ATAR (60.00 to 74.95)• Completed AQF Certificate II to IV• Completed individual ATAR subject/s• Completed individual General Subjects (Grade A or B)• Incomplete AQF Diploma	<ul style="list-style-type: none">• Life achievements and commitments (sport, music, cultural experiences)• Volunteering and community engagement• Extracurricular awards or certificates (university enabling units, micro-credentials)• Work experience (resume)• Education reference (see below)

*Students interested in studying a specialised or combined degree, may be eligible to transfer courses after the first semester of study and meeting course transfer requirements. *These are available in the [Handbook](#) for each course, under the 'Rules' tab.*

[^]Students are usually able to take a bridging unit as part of the course if ATAR subject prerequisites are not met (some exceptions apply).

What is required for an education reference?

An education reference can come from a Career Advisor, High School Teacher or Coordinator, Principal, School Staff Member or TAFE/University Academic covering how they know the applicant and why they would recommend them for university entry. This is also an opportunity to highlight any academic achievements the student has made throughout their studies in addition to any community engagement, extracurricular activities, leadership abilities, volunteering, problem-solving skills and team collaboration skills.

The education reference should be no more than two pages and must be on institution letterhead, signed by the reference. Please include:

- Applicant full name
- Applicant school name
- Reference full name
- Reference role
- Reference email address
- Reference contact number
