

# UWA 2018/19 Summer School

## Financial Accounting (ACCT1101)

---

### Welcome

Thank you for your interest in UWA's annual Summer School, an additional teaching period for students and an opportunity for people to pursue an area of interest or up-skill and progress their career to the next level.

This year's UWA Summer School runs from late November 2018 until early February 2019 and includes nearly 60 units.

Our Summer School units cover a range of engaging topics across various disciplines and embed practical application and experiential learning.

I encourage you to visit [study.uwa.edu.au/summer](http://study.uwa.edu.au/summer), the UWA Summer School website for more information about all units on offer, the enrolment process and available services.

We look forward to welcoming you to the UWA Community this summer.

**Professor Graham Brown**  
(Dean of Coursework Studies (Acting))

# Your Unit

---

**Unit Name:** Financial Accounting (ACCT1101)

**Location:** Perth Campus

**Non-assessed Fee:** \$1344.00 (Enjoy the complete educational experience but without the stress of assignments)

**Assessed Fee:** \$1344.00 (Enjoy the complete educational experience, including assignments/ exams and receive a final mark. The earned credit can be counted towards a future qualification at UWA)

**Dates:** 7 January- 8 February 2018

**Time:** Mondays, Wednesdays, and Thursdays, 2pm-5pm

Explore the foundations of financial accounting, through topics such as financial statement analysis and the factors that influence the demand and supply of accounting information.

## Description:

This unit provides an introduction to financial reporting and a foundation for those who may later wish to specialise in accounting. Topics include the core concepts and practices underlying the preparation of financial statements, financial statement analysis, and the factors in the business environment that influence the demand and supply of accounting information. This unit is suitable for all and requires no previous knowledge of accounting.

## Learning outcomes:

In this unit, you will:

- explore the contemporary accounting environment and learn accounting vocabulary, principles and concepts;
- practice preparing general purpose financial statements and analysing transactions, journals, ledgers, and worksheets, and
- develop an appreciation of internal control, corporate governance and the ethical issues affecting the work of accountants.

## Lecturer:

**Dr Mosharraf “Mosh” Hossain**

Dr Mosharraf “Mosh” Hossain recently completed her PhD from UWA. She now teaches both undergraduate and postgraduate programmes in Accounting and Finance and received an excellence in teaching award in 2017. Her research interests include the area of mergers and acquisitions, insider trading, capital markets informational transparency, and financial accounting. Her work has been published in the Australian Accounting Review, Accounting Research Journal, and Global Finance Journal.

## Summer School Logistics:

- All external applicants will receive a parking permit to allow them to park on-campus, free of charge. See [transport.uwa.edu.au](http://transport.uwa.edu.au) for information about parking areas, and check your permit for more details when you receive it.
- All students will receive a PHEME account and access to the online learning system (LMS), online library and course materials.
- Free on-campus WIFI will be available through your PHEME account.
- The UWA Summer School Precinct includes a number of cafes with extended opening hours during Summer School. Visit the Student Guild website for more information. [www.uwastudentguild.com](http://www.uwastudentguild.com)
- Summer School students will have access to the Reid Library and all its facilities: computers, charging stations, electrical outlets, printers/copiers, rest areas, group study facilities, private study areas, and of course, the librarians and library staff.
- Lockers and change rooms are available in the Reid Library. Bike racks are located throughout campus. End-of-journey shower facilities are available at the Fitness Centre.
- Information about public transport and cycling to UWA can be found at [study.uwa.edu.au/summer](http://study.uwa.edu.au/summer)
- Further information, including course materials, detailed timetable information, PHEME details, and campus maps, will be provided prior to commencement of the unit.
